# INTRODUCTION

**Pakistan Children Relief (PCR)** is a non-profit organization with an upstream approach to educating orphans, out-of-school, and street children in Pakistan. We have faith in the importance of sympathy and joint efforts in changing lives for the better. Guided by the principle: **“Whoever saves one life, it is as if he had saved all of mankind.”** (Quran 5:32)

Our mission is to bring hope and opportunity to the most vulnerable members of our society. As a non-profit organisation, we work tirelessly to provide education, shelter, healthcare, and support for those in need, driven by the vision of a brighter, more equitable future. Together, we are not just helping individuals; we are uplifting entire communities and shaping a society built on empathy, resilience, and shared humanity.

## OUR VISION

Pakistan Children Relief seeks to build a nation where every child is educated and skillful to be able to provide for themselves and support their families, eradicating poverty and increasing employment.

## OUR MISSION

Pakistan Children Relief aims to provide a prosperous and bright future to young leaders of Pakistan by empowering them with quality education, healthy environment, and basic needs.

# EDUCATION SUPPORT PROGRAM

## OUT-OF-SCHOOL CHILDREN IN PAKISTAN: A GROWING CONCERN

In Pakistan, an alarming 26 million children aged 5-16 are currently out of school. This figure represents 36% of the total school-age population, highlighting a crisis that demands immediate attention.

## ROLE OF PAKISTAN CHILDREN RELIEF

Pakistan Children Relief is addressing this issue through its Education Support Program, providing non-formal education initiatives to help children reintegrate into the education system.

## BASIC LEARNING CENTERS (BLC'S)

The Basic Learning Centre (BLC) program by Pakistan Children Relief (PCR) uses an Accelerated Learning Program to provide education to out-of-school children, enabling them to quickly transition into formal schooling and build a better future.

# HIGHLIGHTS
