OBJECTIVE OF THE ACTIVITY

The objective of the Qurbani activity was to strengthen faith, promote gratitude to Allah, and support vulnerable communities by distributing sacrificial meat.

The initiative ensured that orphans, widows, and needy families shared in the blessings of Eid while fostering compassion, social inclusion, and community solidarity.

IMPACT

Through the Qurbani initiative, a total of 785 families, benefiting 4,710 individuals, were supported across 16 clusters in Pakistan. The distribution of sacrificial meat enabled orphans, widows, and needy families to share in the blessings of Eid, strengthening community solidarity and improving food security for vulnerable households.
